10.1.2	Appointment of Delegates/Committee members
---------------	---

Agenda Reference: CEO 10/17 – 02
Location/Address: Shire of Sandstone
Name of Applicant: Shire of Sandstone
Disclosure of Interest: Nil
Date of Report: 18 October 2017
Author: Harry Hawkins, Chief Executive Officer

Summary

Following the recent Local Government Elections Council is required to appoint their delegates to a range of groups and committees.

Attachments

Nil

Background

The local government election was held on Saturday 21st October therefore all positions became vacant and subject to reappointment by the newly elected Council.

Comment

Every two years half of Council are to retire and an election is held for those positions on Council. Subsequent to these bi-annual elections it is customary for the 'new' Council to consider membership of the various organisations on which this Council is represented. Some of the delegates will simply retain their position by order of them remaining as a councillor of this Shire. A Council member of the Development Assessment Panel for example would retain that position until it comes up for re-appointment and as long as they remain a councillor.

Other positions may require new delegates simply by virtue of new membership of this Council or because the previous member/s simply wish to have a change

The following organisations should be considered:

- **Murchison Country Zone Council of WALGA.** The next meeting is on Friday 24th November 2017 in Cue. Traditionally the delegates have been the Shire President and Deputy President as is the case with many other local governments. Beth Walton is currently Chairperson of the Murchison Zone.
- **Murchison Regional Vermin Council** – 2 delegates required. Councillors Hodshon and Key have been Council's recent delegates
- **Murchison sub-group of the Midwest Regional Road group**
Current delegate is Cr Walton. Cr Walton was recently elected Chairperson of the Murchison sub group.
- **Audit Committee** – has been all of Council previously
- **Chief Bushfire Control Officer and Deputy Bushfire Control Officer** – currently David McQuie and Robert (Banjo) Patterson
- **Development Assessment Panel** – 2 members and 2 deputy members. Current members are Councillors B Walton and C Hodshon and with Councillors K Key and F May as Alternate Members / Proxy.

Development Assessment Panel – Proxies	Cr May	Cr Lefroy
Audit Committee:	All of Council	

CARRIED by ABSOLUTE MAJORITY (5/0)

10.1.3 MRVC Funding Proposal for Fence

Agenda Reference:	CEO 10/17 - 03
Location/Address:	Shire of Sandstone
Name of Applicant:	MRVC
Disclosure of Interest:	None
Date of Report:	19 October 2017
Previous References:	Nil
Author:	Harry Hawkins CEO

Summary

To provide Council with some details of the MRVC funding proposal for the wild dog fence following a meeting with the Minister and to request Council's support for the proposal.

Attachments

Proposed funding for the Fence

Background

The MRVC member Councils have been lobbying the state and Federal governments for many years for funding for a fence to protect pastoralists livestock from wild dogs and after a recent meeting with the Minister a commitment was made to provide some contested and uncontested funding. Both funding streams are based on a \$ for \$ contribution by the MRVC and the attached proposal was put forward to member Councils at a special meeting on the 18th October in Mount Magnet.

Comment

The state government has committed funding for the wild dog fence and the MRVC has been allocated an uncontested allocation of \$550,000 on a matching \$ for \$ basis and as per

the attached proposal member local governments are being asked to contribute \$100,000 cash or in kind divided between them. Another \$100,000 is also requested for the uncontested funding proposal again cash or in kind divided between member local governments. Member local governments may also be asked to contribute additional annual fees to fund a proposed \$500,000 loan over 20 years to allow the MRVC to make their contributions. There is provision in the Local Government Act for the contribution to be funded by way of a "Specified Area Rate" against properties that directly benefit from the fence through the rating system.

It was explained at the special meeting if all of the proposed funding is received 306 kilometres of fencing can be done however the uncontested contribution from the state government is not guaranteed for as the name states it is a contested pool of money and there will be other projects from other shires outside the region seeking part of that funding. The contested funding proposal also shows that there is less than \$ for \$ contribution from the MRVC and this is allowed for in the funding application but is also not guaranteed to be approved by the state government.

Regardless of what happens with the contested funding application the uncontested funding is guaranteed and as much as possible of the fence will be constructed/upgraded until funding including the MRVC loan is exhausted.

Consultation

Nil

Statutory Environment

Local Government Act 1995 and Regional Development Trust.

Policy Implications

Nil

Financial Implications

Council's contribution could be as high as \$40,000 and increased member contributions to cover the MRVC loan but could be recouped using a "Specified Area Rate".

Strategic Implications

Nil

Voting Requirements

Simple majority

RESOLUTION: 90/17

MOVED: Cr Lefroy

SECONDED: Cr May

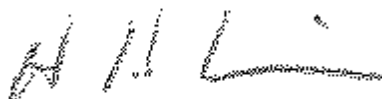

That Council authorises the CEO to advise the MRVC that they agree with the funding proposal put to the special meeting on the 18th October and are willing to contribute their agreed amount subject to equal contributions being made by all other member local governments.

10.2.2 ACCOUNTS UPDATE FOR THE MONTH of SEPTEMBER 2017 (Includes Credit Cards, the Caravan Park, Fuel Sales and Rates report)
--

Location:	Shire of Sandstone
Applicant:	Shire of Sandstone
Disclosure of Interest:	Nil
Date of Report:	13 October 2017
Author:	Rhonda Miles – Finance Officer
Senior Officer:	Harry Hawkins – Chief Executive Officer

Summary

Presented for Council's information is the list of accounts paid in the month from the Municipal Fund and Trust Fund in accordance with the requirements of the *Local Government (Financial Management) Regulations 1996*. Payments made through the corporate credit cards as well as income from the Caravan Park and Fuel Sales are included as attachments.

Attachments

- 10.2.2A to C: The list of accounts (EFT and cheque payments) is attached which will enable Council to see the payments made to the Shire's creditors.
- 10.2.2D to F: Payments via Credit Cards (CEO and Works Supervisor), Caravan Park Income and Fuel Sales Income.

Background

Council has delegated to the CEO the exercise of its power under Financial Management Regulation 12 to make payments from Municipal Fund and Trust Fund.

The *Financial Management Regulations (Regulation 13 (3))* requires a schedule of payments made through the Shire's bank accounts to be presented to Council. The lists include details for each payment made incorporating the payee's name, amount of payment, date of payment and a brief transaction description.

Comment

Invoices supporting all payments are available for inspection. Queries regarding any payment should be made through the CEO to the staff member who handles the financial transactions prior to this meeting.

All invoices and vouchers presented to Council have been certified as to receipt of the goods or services and that the amounts shown were due for payment.

10.4.2 Shire Mechanic Position

Agenda Reference: Works and Services 10/17 - 02
Location/Address: Shire of Sandstone
Name of Applicant: Works Supervisor Danny Humphries
Disclosure of Interest: None
Date of Report: 19 October 2017
Previous References: Nil
Author: Harry Hawkins CEO

Summary

To ask Council to approve a change to the way the shire mechanic is employed for an initial trial period of 6 months.

Attachments

Nil

Background

The shire has advertised for a mechanic twice using various websites and newspapers since the previous mechanic finished up and the responses have been underwhelming with no suitable applicants applying.

Comment

With no applicants considered suitable for the shire mechanic position the Works Supervisor and CEO have considered other options and given that much of the equipment at the shire is new have decided to ask Council to endorse the following option for a trial period of 6 – 12 months. Instead of employing a full time mechanic/all rounder we employ retired mechanic Keith May on a contract basis for 5 days per month plus emergency call outs. Keith would be backed up by Jason Homewood a diesel mechanic based at Wondinong Station approximately 100kms west of Sandstone.

The additional cost of contract wages would be offset by a reduction in overhead costs and given the amount of hours suggested in the proposal there should be a significant saving to the shire budget as long as there are not any major breakdowns not covered by warranty.

Consultation

Keith May
Works Supervisor

Statutory Environment

None

Policy Implications

Nil

Financial Implications

A reduction in cost is expected but is hard to quantify

Strategic Implications

RESOLUTION: 94/17

MOVED: Cr Lefroy

SECONDED: Cr Murat

That Council approves the change to the shires workforce by employing its mechanic on a contract basis for 5 days per month plus emergencies for a trial period of 6 to 12 months.

CARRIED (5/0)

10.4.3 Shire Road Grading Plan

Agenda Reference: Works and Services 10/17 - 03
Location/Address: Shire of Sandstone
Name of Applicant: Works Supervisor Danny Humphries
Disclosure of Interest: None
Date of Report: 19 October 2017
Previous References: Nil
Author: Harry Hawkins CEO

Summary

To ask Council to approve a Road Grading Plan that will see all roads in the shire maintenance graded twice per year.

Attachments

Draft Road Grading plan.

Background

To improve the overall condition of shire roads the Works Supervisor and consultant engineer Katie Hall from K Team have developed a maintenance grading plan that involves splitting the shire roads into 2 areas one of which would be contracted out.

Comment

The draft road maintenance grading plan has been developed to allow all roads in the shire to receive 2 grades per year to keep them more trafficable and reduce the loss of material extending the life of re sheeted roads. The shire has only one maintenance grader and it is

physically impossible for that to cover the whole network in this way. Therefore to ensure the whole network is covered the plan splits the roads into 2 areas one of which would be contracted out. Given the value of the contract this would need to go out to tender so Council would be involved in selecting who does the contract grading.

While the required budget looks excessive there is significantly more work being done than has been done before which will lead to a reduction in construction costs and improve road safety and reduce damage to vehicles, including shire vehicles, using our roads. The plan if accepted by Council will not be introduced until the 2018-2019 financial year as there is insufficient room in this years budget.

Consultation

Works Supervisor

Statutory Environment

None

Policy Implications

A new road grading policy will be developed using the plan

Financial Implications

The plan will not be implemented until the 2018-2019 financial year.

Strategic Implications

Nil

Voting Requirements

Simple majority

RESOLUTION: 95/17

MOVED: Cr May

SECONDED: Cr Lefroy

That Council endorses the Maintenance Grading Plan as attached with a view to introducing it in the 2018-2019 financial year.

10.4.4 Cattle Grids Paynes Find Road and Heritage Trail
--

Agenda Reference: Works and Services 10/17 - 04
Location/Address: Shire of Sandstone
Name of Applicant: Kim Buller Black Hill Station
Disclosure of Interest: None
Date of Report: 19 October 2017
Previous References: Nil
Author: Harry Hawkins CEO

Summary

To advise Council of the latest proposal to fence the Mount Magnet Leinster Road where fencing was not completed close to the Sandstone town site and the requirement for grids on the Paynes Find Road and the Heritage Trail.

Attachments

Map of Sandstone Common

Background

The current owner of Black Hill Station is re stocking the property with cattle and would like to ensure that they do not wander into the Sandstone town site. He has approached Main Roads WA to ask why they didn't completely finish the fencing of the road from Mount Magnet to Leinster where it incorporates the Sandstone bypass and if they would finish the project. Main Roads have indicated that in the circumstances they would consider supplying the materials if Mr Buller erected the fence. To complete the fencing it would need to cross the Sandstone Paynes Find Road (sealed section) and the Heritage trail where it heads out to London Bridge etc.

Comment

If Main Roads WA agree to provide the materials to complete the approximately 6kms of fencing required fence the Mount Magnet Leinster Road where it passes the Sandstone bypass grids would be required on the shire controlled Sandstone Paynes Find Road and the Heritage Trail.

Council has previously committed to installing a grid on the Paynes Find Road at the Black Hill boundary but has not made any commitment to any other grids for the station. There are grids in stock (new and second hand) that could be utilised for this purpose however there is no budget allocation in 2017-2018 and no fencing proposal has been received from Black Hill Station as was requested earlier this year.

Consultation

Works Supervisor

Statutory Environment

None

Policy Implications

None, there is no policy dealing with grids

Financial Implications

Unknown at this point in time.

Strategic Implications

Nil

Voting Requirements

Simple majority

RESOLUTION: 96/17

MOVED: Cr May

SECONDED: Cr Hodshon

That Council reiterates its previous decision to not commit to any fencing or grates until a fencing proposal is presented to the shire for assessment
